1. GOGOL-DHIG

“WAR LA HELYAA BA TALO LA HEL”

Warbaahintu si guud waa mid lagama-maarmaan u ah bulshada.

Maanta warbaahinta casriga ahi, waa mid ina siisay fursad aynu danaheena kaga wada shaqayno, innaga oo daafaha dunida kala joogna.

Hadaba Ururka Laasdhure, warbaahin matasha’oo ka shaqaysa danaha ururku, waa mid muhiimad gaar ah u leh.

Ka-urur ahaan; si aynu u helno warbaahin haboon, iyo nidaamkii lagu maamuli lahaa, oo la jaanqaadaya wakhtiga casriga ah iyo danaha ururku, waa ujeedada barnaamijkani daaran yahay.

2. INTERNET-KA & TECHNOLOGY-YADDA

- Internet-ka waxa la bilaabay sanadkii 1960, wuxuu ku bilaabmay mashruuc ay maalgalinaysey hay'ada Qaramada Midoobey (UN) waaxdeeda Difaaca, mashruuca waxa ciwaan looga dhigay Advanced Research Projects Agency Network.
- Ujeedada ugu wayn ee laga lahaa mashruucanna waxay ahayd, in la sameeyo isku-xidhnaan, iyo in kor loo qaado is-weydaarsiga macluumaadka si looga hortago weerarada Nuclear ka, oo xilligaa khatar wayn adduunka ku hayay.
- Muddo sanaddo ah kadib, mashruucii wuxuu noqdey mid la sii balaadhiyey oo kolba la sii casriyaynayay, waxaa na ka dhashay Internet-ka casriga ah ee maanta dunidu ay isticmaasho.
- Sanadku marku ahaa 1990-kii, waxaa la soo saarey qaybta loo yaqaanno World Wide Web (www), taasi oo keentay inu adduunku si fudud isugu xidhmo, macluumaadkana si fudud la isu-weydaarsado.

2.1 Faa'iidooyinka Internet-ka & Technology-yadda

Faa'iidooyinka ay leeyihiin way badan yihiin, aynu ka xusno inta ugu muhiimsan'ee dunidu ay maanta ku horumartay, waxaana ka mid ah:

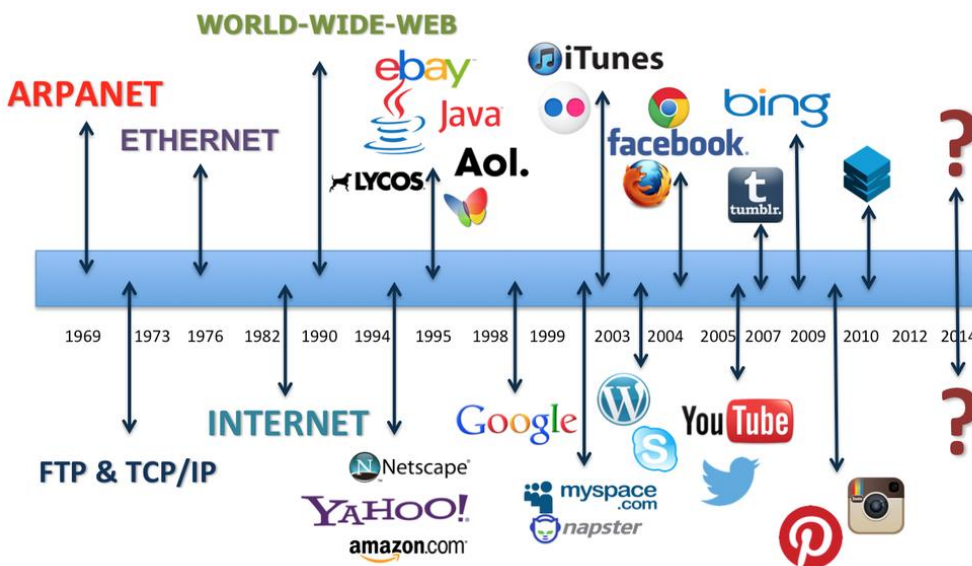

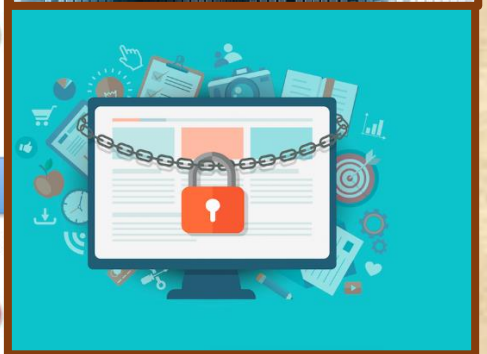

- Helidda macluumaadka iyo is-dhaafsiga xogaha (Access to Information)
- Is-gaadhsiintii dunida oo horumar balaadhan ka dhaxashay.
- Waxbarashadii oo helitaankeedii fududaaday, isla markaana ay dunidii wadaagtay aqoonta iyo xirfadihii kala du-duwanaa.
- Ganacsigii oo koboc iyo horumar balaadhan ka helay, gaar ahaan qaybta casriga ah ee loo yaqaan E-Commerce.
- Madadaalooyinka, ciyaaraha iyo hibooyinkii dabiiciga ahaa, oo dadka dunida ku nooli ay ku wadaageen.

2.2 Dhibaatooyinka Internet-ka & Technology-yadda

Dhibaatooyinka ay leeyihiin waxaa ka mid ah:

- Dhowrsoonaanta maclumaadka iyo sirta gaarka ah, oo dad badani shaki wayn ka qabaan illaashinkeeda.
- Denbiyada *Cybercrime* ay ka midka yihiin xatooyada iyo dhacca hantida umadda, oo aad u fududaaday.
- Dhibaato caafimaad oo ka dhalatay la-qabsiga balwadaysan (Addiction) ee isticmaalka Internet-ka, arrintani oo qofka halis caafimaad ku ah.
- Xogaha iyo wararka been-abuurka ah (Misinformation) oo si fudud ugu dhex faafi kara, kuwaas oo ay ka dhalan karto dhibaatooyin badan iyo amni daro.

3. WARBAAHINTA

- Warbaahinta waxa la sheegaa inay soo bilaabantay muddo aad u fog ilaa 3200 BC, xilligaasi waxay dadku warbaahin ahaan u isticmaali jireen (Oral Traditions), wararka iyo dhacdooyinka waxa la isugu gudbin jiray sheekooyinka iyo odhaahyo uu jiilba jiil ka dhaxli jiray.
- Warbaahintu waxay si weyn u horumartay, intii ay dunida ku soo kordheen adeegsiga Internet-ka iyo Technology-yadda casriga ah.
- Warbaahinta ay maanta dadku isticmalaan way noocyo badan tahay, isla markaana way kala muuq iyo maqal duwan tahay, ujeedada guud ee warbaahinta laga leeyahay na waa sidii la isugu gudbin lahaa macluumaadka, wararka iyo dhacdooyinka dunida daafaheeda ka kala dhacaya.

3.1 Noocyada Warbaahinta

Print Media: noocan waxa soo hoos galaya Jaraa'iddada iyo kuwa la daabaco, waxaa na markii ugu horeysay soo saarey, nin la odhan jiray Johannes Gutenberg's sanadkii 1605.

Broadcast Media: noocan dunida aad ayaa looga isticmaalaa, waxaa na ka mid ah television-ka iyo radio-ga, oo la soo saarey dhamaadka qarnigii 19^{aad} ilaa bilawga qarnigii 20^{aad}.

Digital Media: noocani waa midda casriga ah maanta, ee la adeegsado Internet-ka, waxaana ka mid ah baraha bulshadu ay ku kulanto, sida Facebook, Twitter, Instagram iyo baraha muuqaallada tooska ah lagu wadaago, sida; Netflix, Hulu, iyo YouTube.

Warbaahinta maanta dunida isugu xidhay sida weyni waa noocan, degdeg iyo ilbidhiqsiyo ayaa warka iyo xogaha la isugu gudbiyaa.

3.2 WhatsApp-ka iyo Faa'idooyinkiisa

WhatsApp-ku waa barnaamij ay maanta dadka dunidu ku nooli aad u isticmaalaan, kaasi oo wax weyn ka taray isku xidhnaantii iyo iska war-haynta bulshada, isla markaana aad u fudaydiyay is-dhaafsigii macluumaadka iyo xogaha.

Application-ka WhatsApp waxa la soo saarey sanadkii 2009, waxa ikhtiraacay labada nin ee magacyadooda la kala yidhaa Jan Koum and Brian Acton, oo ka mid ahaa shaqaalaha mareegta ay bulshadu ku wada xidhiidho ee la yidhaahdo Yahoo.

Ugu danbeyntii tijaabooyin badan oo uu WhatsApp soo maray kadib, waxa si wayn loo casriyeeyay sanadkii 2011, isaga oo noqday Application-ka loogu xiiso badan yahay, ee lagala dego AppStore-ka.

Sanadihii 2015 iyo 2018 waxa lagu soo kordhiyey adeegyo cusub oo ah, in laga dhex isticmaali karo Web Browser-ka iyo in Business ama ganacsi ahaan loo adeegsan karo.

Faa'iidooyinka WhatsApp-ka waxaa ka mid ah:

- In si lacag la'aan ah la isugu diri karo dhambaallo ama fariimo.
- In laga dhex samaysan karo bar-kulanno gaar u ah dadka intii dan isku mid ah leh, si ay barkulankaasi ugu wada xidhiidhaan, iyadoo aan cid kale arki karin is-wareysigooda (Group Chating).
- Is-barasho: WhatsApp-ku waxa uu fududeeyaa isla marka na uu isu soo dhaweeyaa, dad badan oo aan hore aqoon iyo aragti isu lahayn, balse dantooda guud ay midaysay, sida; dad badan oo ka mid ah Ururka Laasduure.
- WhatsApp-ka waxa laga samayn karaa, in si toos ah aad qofka u wacdo, oo aad halkaasi iska maqashaan, waana wax wayn marka laga eegayo dhanka xidhiidhka bulshada.
- WhatsApp-ku waxa uu yareeyay wakhtigii badnaa ee ku lumayay la-hadalka dad badan, waxaad hal macluumaad ama hal xog siin kartaa koox aad dan-wadaag tihiin.

4. WHATSAPP GROUP-KA URURKA LAASDHUURE
